PRESS RELEASE

Munich, June 11th, 2026

stradoo® is proud to announce that we have been honored with the prestigious “**Employer of the Future**” award by the German Innovation Institute. The award was officially presented during a ceremony at the **DUP UNTERNEHMER AWARD** event in Frankfurt.

The “**Employer of the Future**” award, presented by the German Innovation Institute, recognizes companies that stand out through modern leadership, innovation, digitalization, and a strong employee-focused culture. It is awarded to organizations that actively shape the future of work by creating attractive working environments, promoting professional development, embracing new technologies, and fostering sustainable growth.

This recognition highlights stradoo's commitment to building a forward-thinking workplace culture that empowers employees, encourages innovation, and creates opportunities for professional growth and development.

The “Employer of the Future” award recognizes organizations that demonstrate excellence in modern leadership, employee development, digital transformation, and sustainable workplace practices.

stradoo® extends its gratitude to its employees, whose dedication, expertise, and passion make this achievement possible. Together, the company will continue to drive innovation and shape the future of work.
